## COMMUNICATION TO PARTICIPANTS LOBBY SUBDIVISION ELIMINATORY PHASE

### GENERAL NOTES

25 October 2010

Has been published [The subdivision of the competitors in their respective lobbies](#), with indication of the starting time of the session and the PSN ID of the host / race director, who is **MANDATORY to have friends on PSN**.

Please note that:

- For each session, a PSN textual group will be created in which the room ID will be communicated.
- **The starting time of the session is mandatory and cannot be postponed.** In no case, will be accepted requests for waiting in the event of delay of one or more competitors.
- The lobby will be active about 10' before the start of the qualifying session, in order to allow competitors to enter.
- Due to software limitations, in the event of a competitor disconnection from the session, WE DO NOT GUARANTEE THE SAVING OF HIS BEST TIME. **It is therefore advisable to record your session and your times through the PlayStation SHARE functions, in order to keep proof.**

### REQUESTS FOR CHANGE DAY / TIME OF SESSION

Requests for change of day and / or session time will be accepted only and exclusively if they come **from two competitors previously agreed between them for the mutual exchange.**

The request must be sent to [direzionesportiva@simracingleague.it](mailto:direzionesportiva@simracingleague.it) by both interested competitors and must necessarily contain the name, surname and PSN ID of the two competitors who will make the inversion.

**Any request that does not meet these requirements, that reports incorrect data or is sent by email that does not correspond to even just one of the competitors, will not be taken into consideration.**

**Requests must be received no later than 18:00 on 27 October 2020.**
